PATENT ASSIGNMENT

This Assignment is made and entered into this day of 2nd January, 2024. In consideration of and in exchange for One dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged; **Sam Huebner**, (Inventor) (“Assignor”), 4075 Merada Ct., Franktown, CO 80116 (Address), hereby assigns to **The Good Life Ltd**, Colorado Limited Liability Company (“Assignee”), having its place of business at 18800 E Clarke Rd, Unit 102, Parker, CO 80134, and its successors (collectively hereinafter called “the Assignee”). The Assignor hereby assigns to Assignee the rights, title, and interest (including but not limited to, the patent claims, all rights to prepare derivative works, all goodwill, and all other rights), in and to the Patent. which are subject of:

Patent No.

US D869,847 S

Patent Title

DIAPER STORAGE CADDY

NOW, THEREFORE, in consideration of the Agreement and the mutual covenants and promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignor hereby irrevocably convey, transfer, assign and deliver to Assignee, its successors and assigns, Assignors’ entire right, title and interest for the United States, its territories and possession, and all foreign countries in and to the Assigned Patents and all rights, claims and privileges pertaining thereto, including without limitation, all inventions and discoveries disclosed therein, certificates of invention and applications for certificates of invention, and any substitutions, reissues, reexaminations, divisions, renewals, extensions, provisionals, continuations, continuations-in-part, continued prosecution applications, and corresponding foreign patents and patent applications and foreign counterparts thereof, and any and all rights to sue and recover for claims and remedies against and collect damages and other recoveries for past, present and future infringements of any or all of the foregoing, and rights for priority and protection of interests therein under the laws of any jurisdiction and hereby grants to Assignee the right to apply, obtain and hold in its own name for patents or inventor’s certificates and related rights heretofore or hereafter filed in any and all countries, including, without limitation, the right to prosecute and maintain the same and all rights to claim priority based thereon, all patents granted thereon and all reissues, extensions and renewals thereof.
2. Rights and Privileges. All rights and privileges, including the right to sue for and receive all damages from past infringements of the Assigned Patents, will be held and enjoyed by the Assignee and its successors, assigns and other legal representatives.
3. Further Assurances. Assignors represent and warrant to Assignee, its successors and assigns that on the date hereof that they are the exclusive owners of all right, title and interest in and to the Assigned Patents and have the right to assign the Assigned Patents, and that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment. Assignors each agree, at the

Assignee's expense and request: (i) to assign, deliver and communicate to Assignee, its representatives, agents, successors and assigns any facts and materials relating to the Assigned Patents, including evidence for interference purposes or for other legal proceedings whenever requested and all files, documents and communications pertaining to the Assigned Patents, including all communications to and from the U.S. Patent and Trademark Office and any and all legal counsel advising on or assisting with the Assigned Patents; (ii) to testify in any interference or other legal proceedings whenever requested; (iii) to execute and deliver whenever requested all lawful papers required to make any of the foregoing provisions effective; and (iv) to generally provide all further cooperation, including taking such further action and executing such additional documents, which Assignee, its successors and assigns requests to secure, obtain or enforce proper protection for the Assigned Patents and all associated rights in this or any foreign country.

IN WITNESS WHEREOF this Assignment is made and entered into on the date first above written.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
